

INCREASE FINANCIAL ASSISTANCE TO FAMILIES
TRYING TO STAY TOGETHER.

Why?

In Connecticut, there are approximately **4,000** children in foster care and about **1,000** of the 4,000 are in **kinship care**. TFA/TANF does not always apply for children in kinship so the financial responsibility or burden falls on the family. Let's change this and make it **equal** for all caring families.

Who benefits?

Children and families benefit from this bill because they are able to stay together with the financial assistance to support in this process.
