## Support “Tuition Equity 2.0” (SB 932)

### What is Tuition Equity?

Tuition Equity, a bill passed in 2013, allows eligible undocumented students who graduate from an Oregon high school to pay in-state tuition at public universities in Oregon.

### Vote “Yes” on SB 932

SB 932 would amend the original tuition equity bill as follows:

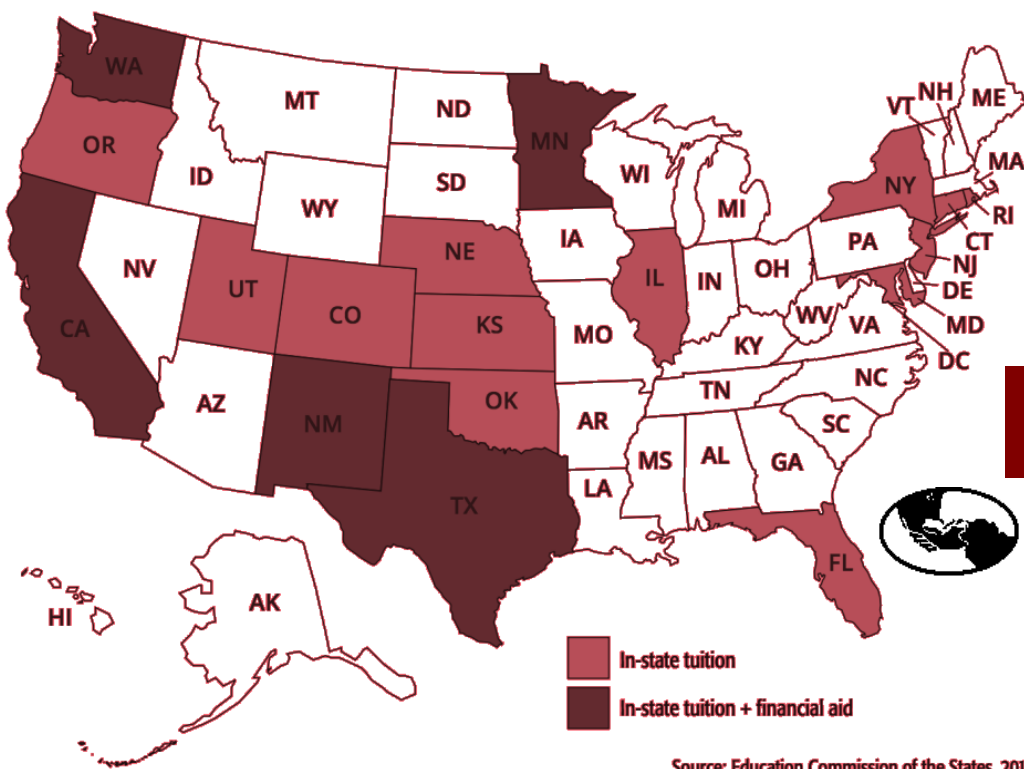

- o Allows qualifying students to apply for Oregon’s Opportunity Grant (state-based financial aid).
- o Eliminates 3-year time frame of when a student must enroll in a university after HS graduation.
- o Eliminates 5-year time limit for university graduation.

### SB 932 Fast Facts:

- 5 states allow undocumented individuals to access in-state tuition and financial aid.
- Oregon could be the 6<sup>th</sup> state!
- Average yearly cost to attend an Oregon public university is \$22,800.
- Average yearly cost to attend an Oregon community college is about \$15,000.
- The Oregon Opportunity Grant helps offset the high cost of college tuition.
